### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The prior art fails to disclose, either singly or in combination, a scaling device for projecting an optical scale reference pattern in a linear direction extending substantially parallel to an imaginary line extending between a camera's lens and an object of interest for providing a scale reference pattern in a resulting photograph of the object of interest whereby the device provides parallel output beams extending substantially parallel to imaginary line extending between the camera's lens and the object of interest to form a pattern of equally spaced light spots thereon.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephone B. Allen whose telephone number is (571) 272-2434. The examiner can normally be reached on Mon-Thurs from 0900-1700.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dave P. Porta can be reached on (571) 272-2444. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
